14. [redacted] JGO) Received from Ralph Preston, House Appropriations Committee staff, follow up questions concerning the Agency budget. Mr. Iams, Comptroller, has been advised.

As for the possible visit to NPIC, Preston indicated that he does not see any possibility of a visit by Chairman George H. Mahon but that he may well be able to schedule a visit for Representative William E. Minshall (R., Ohio) and himself in about two weeks. I told him I would remind him.

Preston noted in passing that he had briefed the Chairman on Senator John L. McClellan's (D., Ark.) statement in the "Congressional Record" concerning ~~Senator William Proxmire's (D., Wis.) amendment to the military procurement bill, and that Chairman Mahon had been somewhat philosophical about the reporting of the membership of the House Committee.~~

15. [redacted] JGO) Together with [redacted] met with L. James Kronfeld, Staff Counsel, Subcommittee on Foreign Operations and Government Information, House Committee on Government Operations, and discussed with him the Senate provisions amending the Freedom of Information bill. [redacted] and Kronfeld appeared to be of one mind both as to the import of the amendments and possible legislative history that can be developed in the Agency's interest. It is planned to meet with him the latter part of next week to discuss with him suggested language for inclusion in the conference report.

16. [redacted] JGO) Met briefly with William G. Phillips, Staff Director, Subcommittee on Foreign Operations and Government Information, House Committee on Government Operations, concerning the transcript of the hearings of Wednesday, 5 June. Phillips said he would not be available to discuss the transcripts before Monday, 17 June, and asked that I gave him a call early in the week of 17 June at which time we will get together.
